

2024 Five Minute Prayer Challenge

We want to challenge you to spend five minutes in intentional prayer every day in 2024. That may not sound like much, but five minutes is longer than you think and it will do wonders for your relationship with God. Don't let this take the place of your Bible reading time. Add it to whatever Bible reading plan you use. Below you will find a prayer prompt for each day of the month. Simply find the day of the month and pray that prompt for five minutes. Hang this challenge on your fridge or cut it out, fold it in half and use it as a book mark in your Bible. Let's pray!
